Product includes 12-month updates and 90-day email support from the purchase date. All orders are subject to the Converter License Agreement. When you place an order with us online, all of the information is encrypted. Once the order has been processed successfully, you will receive an authorization email with your key code file location within one business day. If you do not receive any email within 12 hours - there may be a problem with your order. Please contact us at support@microtools.us.

Purchase orders (net 30 days) are accepted from government agencies and accredited educational institutions and major corporations, provided that they are submitted on purchase order form with a purchase order number. All checks must be drawn on a U.S. bank and in U.S. currency.

For offline (mail-in/email-in) charge card order only: Signature: _____ Date: _____
